✿ START WITH YOU

Before you *build* a business,
build your understanding
of *yourself*.

“You are fearfully and wonderfully made.” — Psalm 139:14

Take a quiet moment with your favorite drink, your journal, and an open heart.
There are no perfect answers — just honest ones.

📅 My Next Step

One step I can take this week:

♥ Remember

You are someone's answer.

God didn't create you by accident.

Your gifts have purpose.

Your story has value.

Your life has meaning.

Start with you.
